According to the law, males must register with Selective Service within 30 days of their 18th birthday. Selective Service will not accept registration from men 26 years old or older. Men who did not register for selective service during the time they were eligible can be denied Federal financial aid, Federal job training, or Federal employment.

Males that have not registered for Selective Service and are over the age of 25, in order to receive Financial Aid, must demonstrate that they did not knowingly and willfully fail to register. Selective Service will determine whether you were exempt from registering. If you are not exempt, documentation is needed to prove that you had reason for not registering with Selective Service.

Please submit this form along with:

_____ A Status Information letter from Selective Service System. This letter is obtained by calling 1-847-688-6888 or visiting www.sss.gov (click on Registration Information, then click on Men Over the Age of Eligibility to Register).
